EL LOBO

1950

Loovie? Who's He? Ardella Ross

You haven't met Loovie?
What a shame!
He really stands for something,
Not just a name.

Have you ever noticed
How you sit and daydream,
When teachers are lecturing
And you aren't on the beam?

You're the football hero,
And the queen's escort,
Council president, class favorite,
And things of that sort.

Well, Loovie represents
Those secret desires.
He's anybody's daydream,
And everybodys for hire.

Lots of Luck in the years to come.
Jackie Eualls

We aren't screwy,
Meet Loovie....

Loads of luck and wonderful girl. Love you

Best of luck Julie

DEDICATION

Clarence Holman
Bus Foreman

Clarence, whose patience and sense of humor when taking students on school trips makes him one of the most popular persons around L.H.S., has been chosen as highly deserving of the honor of our 1950 year book dedication.

As bus foreman of Levelland Schools since 1937 Clarence has arranged for the transportation and accompanied students on field trips, football trips, band trips, class trips and other school activities which students remember as highlights in their high school life.

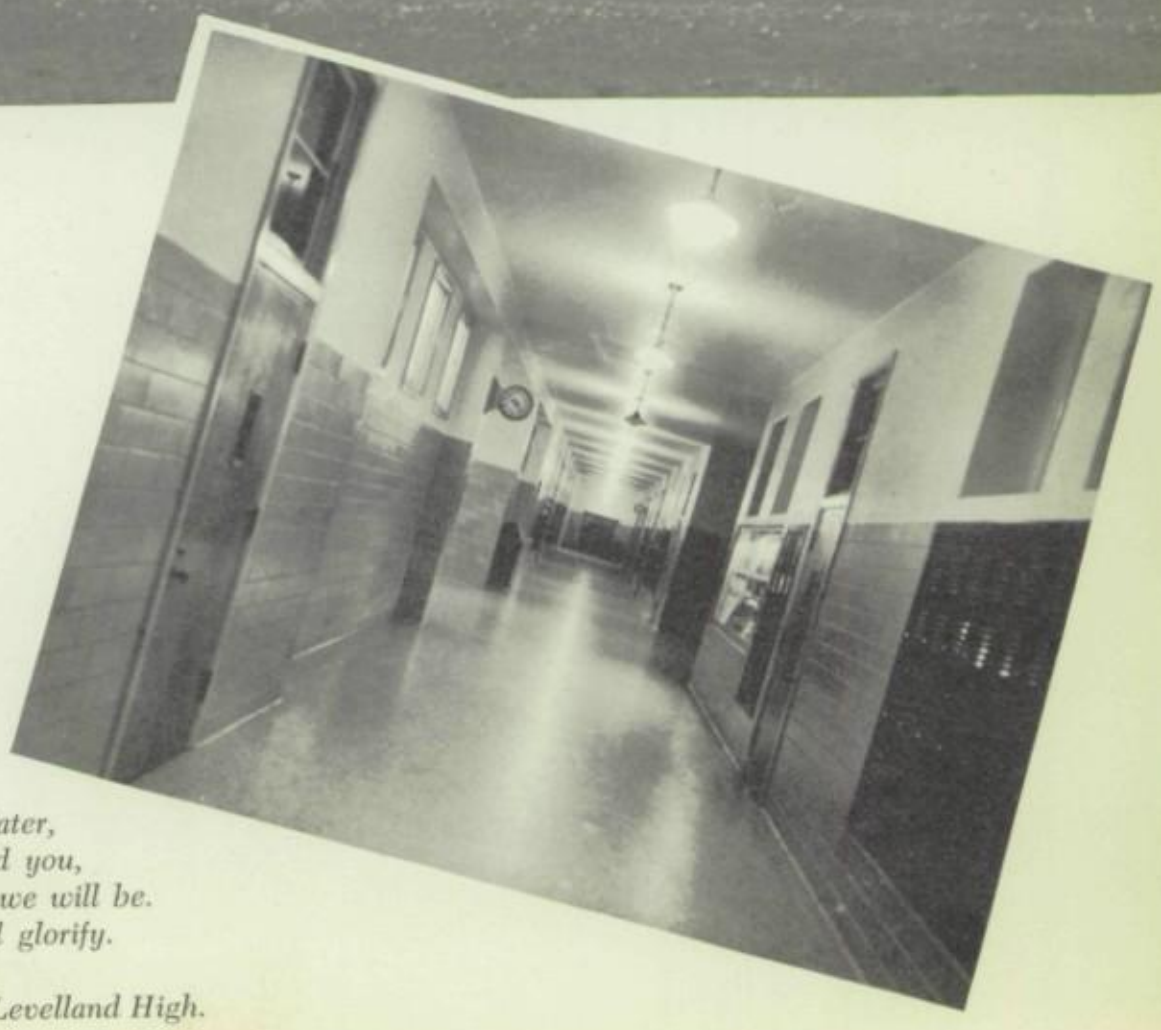
El Lobo of 1950 salutes you!

LEVELLAND

LOBO

Our Scarlet and Black
Is a symbol that honors
The spirit that reigns in our high,
Of courage and sportsmanship
Shown by the Lobos,
Whose motto is "we do or die."

HIGH SCHOOL



LOYALTY

Here's to our Alma Mater,
We're proud to defend you,
And loyal through all we will be.
Your standards we'll glorify.
Victory is our cry.
We're proud of our Levelland High.

Levelland High School Yesterday and Today

LEVELLAND SCHOOLS: 1924

In 1924, Miss Luba Jones and Miss Leila Puryear taught a small class of thirty-five students, in the small two room frame house pictured at the left. This was the first school building and the first school term of Levelland.

This year with an enrollment of 2,430, a faculty consisting of 104 members, and with twenty school buses running in an area of 224 square miles daily, we, the students of Levelland High School, feel that we may be justly proud of this record.

Since 1939, the students and faculty of L.H.S. have received annually a copy of EL LOBO to preserve the memories of each of these years.

This is the eleventh edition of EL LOBO. It pictures activities of the 1949-1950 year in L.H.S.

As you who have been at L.H.S. in 1949-50 thumb through its pages to recall this eventful year, you will not need nor want any other message to remind you of what L.H.S. means to you.

The constant loyalty and devotion given to L.H.S. by its students, former students, alumni, faculty and friend is, in the main, the most important factor in the continued growth and success of our school.

This page, hence, takes form as a salute to all who have given his loyalty and devotion in 1949-50, and to all who are making possible a greater LEVELLAND HIGH SCHOOL of TOMORROW.

To the Students of Levelland High School

It has been very gratifying to observe the fine school spirit which has prevailed during your first year in your new building.

I think your interest in your work, and your splendid response to the leaders of your various activities are highly commendable.

I hope you will find much good has come to you through your studies this year, and that you can remember with pleasure the friends you made in 1950.

Sincerely yours,

O. W. Marcom

O. W. Marcom, Superintendent

My Student Friends,

As you look over the pages of this fine annual, we are sure you recall many many pleasant learning experiences. We know that many opportunities have been made available to you which have not been made so to former students of Levelland Senior High School. These also carry added responsibility and we are proud of the manner with which you have accepted these and the appreciation you have shown for the efforts of those who have made this beautiful new building and its facilities available. We will long look with pride to the fact that we were the first to occupy this building. Your appreciation has been manifested in the way you have cooperated in caring for it.

We feel that education is more than teaching one something he does not know. It means teaching him to behave as he does not behave. It is not teaching him the shapes of letters or the tricks of numbers, and then leaving him to turn his arithmetic to roguery, and his literature to lust. It means, on the contrary, training him in the perfect exercise and kingly continence of body and soul. It is a painful, continual and difficult work to be done by kindness, by watching, by precept, by praise, and above all - by example.

Sincerely yours,

G. C. Clapp, Principal

With sincere
best wishes,
Ardella -

Bill and Jim Mac (and Shannon) pose to have their picture made last year while the juniors had a picnic at the park.

This is a usual scene in the office from 8:45 to 9 o'clock every morning as students receive tardy passes. Shown left to right: Ed Davis, Bobo Johnson, Ann Taylor, Bernadine Weatherford, Lois Leonard, Bobby Turrentine, and Glenda Brown while Mrs. McMurry and Mr. Clapp get corny excuses for tardiness.

Above: Wanda Thomas, Jean Dunlap and Mr. Watkins, Business Manager are shown working. They carry on and take care of most of the business of Levelland High School.
Right: Ruth, Ellie, Moses, Don and Mr. Lincoln are shown at Buchanan Dam on their way to Austin to the annual Steck Clinic. Mrs. Rodenberger, Sponsor, was taking the picture.

Betty Gibson, Foncyne Jones, Billie Guetersloh, and Wynell Bailey are relaxing after a tiresome band trip to Dallas last October to play in the Cotton Bowl.

Pictured at the right is a picture Mr. Clapp snapped at Sudan while the Lobos and Hornets were battling it out. This is only a small group of the L.H.S. students that were helping back the Lobos.

At one of the many band parties, Bonnie Rutherford and Bryl Harris grimace on a high note while - - - - - -

Elnora Wright, Mary Ann Vaughan, Bobbie Bates, Billie Guetersloh, Bernadyne Weatherford, Mary Stark, and Wallie Gravitt line up for the relay.

Mary Stark was very unaware that Jimmy Dobbs was taking this picture as she tries to watch the show and drink her grapette at the same time.

Christmas Party

Santa Claus alias Coach Rattan was specia guest at the Christmas party sponsored by the Stu dent Council on December 23 at the skating rink Events got under way at 9 o'clock when everybod put on skates and took to the floor. Skates wer hastily removed when Santa appeared on the scen about 10 o'clock equipped with Christmas tree, pre sents and all the trimmings. The party broke u about 12 o'clock with many wishes for a Merr Christmas and Happy New Year.

Bum-ety-Bump-Bump-Lump Lump hits the floor with a thump. Willie "Lump Lump" Ivy asks Ed Davis to help him up but he, Glenn Stroup, Nina Lee, Betty Neves and Helen Starr just laugh mercilessly.

Round and round they go. Talitha Allen and Nina Lee look as though they are expecting a fall.

Bobo Johnson brought along some reinforcements.

Santa Claus Rattan seems to be a popular man.

President of Student Council!
Just look at Loogie beam.
He's planning things big.
Can't you see his eyes gleam?

Student Council

Who is responsible for all the good times the student body has enjoyed this year as well as for the student government? This question has been asked by many students who wanted to know who was responsible for the various events that took place here in Ole L. H. S. during 1949-50. Events like Twirp Season, Assembly Programs, Exchanging of Assemblies and All School Parties. Who is responsible? The Student Council.

This council is made up of homeroom representatives, presidents of the classes and leaders of each department in school. Mr. Clapp, principal, acts as sponsor of the democratic student government at Levelland High School.

Pep Squad Leaders

The '49-'50 Pep Squad was first and foremost in promoting school spirit within the student body.

When the Lobos met the favored Roughnecks of Sundown, the Pep Squad was on the spot to cheer them on to a victory. This same spirit predominated throughout the season, even through the heartbreaking loss to Littlefield Wildcats who later became state champs.

The Pep Squad climaxed the season with the annual Pep Squad-Football Banquet. Amy Sue Vaughn and John were crowned Band and Pep Squad Sweethearts at this affair.

Hallowe'en Carnival

When classes meet in friendly rivalry, excitement will be at fever heat as it was at the annual Halloween Carnival which took place on Monday night, October 31, 1949, in the gym.

Booths at the carnival sponsored by the different classes provided entertainment as well as money for the Campus King and Queen race.

The coronation of the Campus King and Queen took place in the Junior High Auditorium at nine o'clock.

Glenn Clarkson and Helen Starr senior class candidates, claimed th royalty title with 13,956 votes.

Delmer Hightower, junior, seems to be enjoying having his fortune told by Narlene Rawls, senior. We're wondering what holding her hand has to do with it.

J. P. Jones, Tarzan Johnson, Ellie Lincoln, and Ed Byerley sold cold drinks a candy at the seniors' concession booth.

At the Sophs' dart throwing booth Barbara Warren, Betty Jean Neeves, Sue Wheeler, and Betty Gladden worked hard to put Ruth King and J. B. Lauderdale on the throne.

Annual Football Banquet Honoring The 1950 Lobo Squad

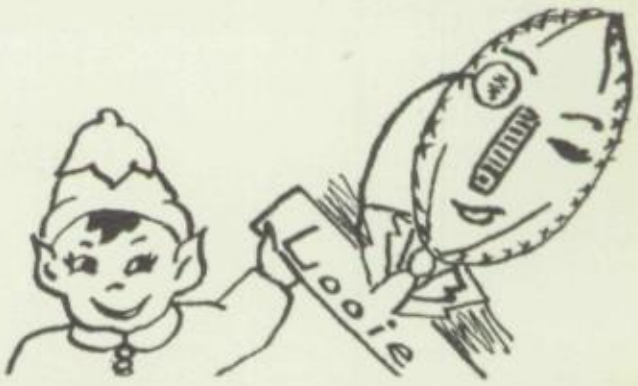
Cheer leaders smile happily after being presented at the banquet. Peggy Richards, Mona Wright, Joan Alexander, and Patsy Knick are the 1950 leaders; also, Viva Elliot who is not pictured.

Cheer leaders of 1949 were snapped on the football field. Ann Taylor, Mary C. Mann, Bonita Fortner, Viva Elliot, and Mary Beth Eatherley pose with mascots, Patsy Raymond and Henrietta Brown.

John Branch, pep squad sweetheart, is escorted to his throne by Bonita Fortner, head cheer leader.

The 1949 football season was climaxed amid much gaiety and laughter at the annual football banquet which took place in the cafeteria Monday night, December 5.

The highlights of the evening included the presentation of Amy Sue Vaughn, Band Sweetheart, and John Branch, Pep Squad Sweetheart. Announcement of the cheer leaders for 1950 was also an outstanding event on the program.



Mrs. Scottie and Mr. Shaw have fun demonstrating the rhumba.

Coaches Tubb Scott, Tipton, Ratton, Wheeler, and Palmer sing an impromptu version of "Sweet Adeline."

'49 Season Highly Successful

Although the Lobos won only five while losing four games this season, they still consider the '49 season as a highly successful one. Only two of the four losses were conference defeats, and only one team, Sudan, was able to best the Pack by more than one touchdown, something even mighty Littlefield couldn't do. The bunch had a bad night when they lost to the Sudan Hornets by a score of 26-7, but they showed up well in such games as their 32-0 win over Muleshoe, their 33-0 trouncing of Morton, their 38-7 stomping of favored Sundown, their 26-7 downing of class AA Brownfield, and their 21-12 upset over the Post Antelopes.

The highlight of the Lobos' season came when they led the State Champion Littlefield Wildcats, a solid 26 points favorite, by 13-6 at the half-time, only to go down fighting to a 20-13 score, when a heavy last half drizzle drowned out the Lobos' aerial attack. The Littlefield players, after winning the Texas State Class A championship, all voiced the unanimous opinion that the Lobos had comprised the stiffest competition of the Wildcats' season. They also stated that they sincerely believed that, had the Lobos won the game and the toss that would have decided the resulting tie, they would have easily won over all playoff competition, and the Lobos would be State Champions today! That's quite a tribute coming from those who are in a better position to know than anyone--The Littlefield Wildcats themselves.

The unsung heroes of any football squad is the "B" team. These boys, pictured above, constitute the "Cannon Fodder" for the 'A' team. They work out every day, take laps with the 'A' squad, run plays against the heavier, more experienced 'A' team, and the 'A' team seems to walk off with all the glory. These boys won 3 out of 5 games this season, losing only to the Whiteface 'A' team, and the Seminole Bees. All of them will return next year, and we're looking forward to seeing many of these boys up in the ranks of the 'A' team next year.

Reading left to right, they are:

Kneeling--Coach Gano Tubb, Frank Burnett, Charles Mitchell, Billy Murray, Billy Spruiel, Baker Hallford, Harold Phelan, Donald Suits, and Gilbert Sanchez.

Standing--Royce Creagor, LaVon McAuley, James Pierce, Eudale Hood, Zack Reid, Bill Minor, Joe Hayes, J. B. Lauderdale, Boyd Patton, Don Huffstetter, and Donald Pigg.

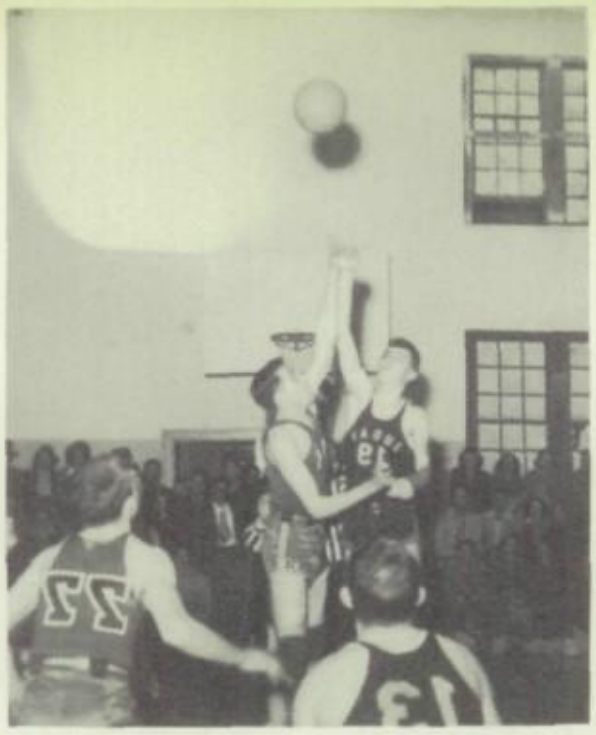
The 1950 season of the Lobo cagers can only be classed as highly successful. Entering 5 tournaments, they took trophies in 4, failing to place only in the Regional tournament. They took first at Seagraves. They took Consolation in the highly-competitive Odessa tournament, losing only to Denver City, and coming back to defeat such teams as AA Big Spring and Pecos. They took Third in their own tournament losing only to AA Brownfield. In the district tournament, the Lobos took second, losing the title by 3 points after having an 11 point edge eaten away by Sudan after 3 of the Lobo starters fouled off.

In the regional tournament, the Lobos ran up against Canyon, state champs-to-be, and were eliminated from the tourney, their first without a trophy.



Harlen Guinn jumps to start first conference game with Sudan. Windsor (77) waits for tip-off. Levelland won, 41-29.

There are several points in the season of the Lobo Cagers that bear strong resemblance to the season of the Lobo Gridders.

First, both teams found their ways to the district finals, and both were definite underdogs. In these district games, both teams proved an unpleasant surprise to the favorites. The footballers pulled ahead of the favored Littlefield team, only to be driven back by a second-half drizzle. The Cagers were ahead of the favored Sudan team by 11 points before going down to a score of 44-11, after losing three of starting five via the foul-out route. The footballers' season was ended by the team that later became State Champs, and the Cagers, in the Regional Tourney, lost to Canyon, who later won the state Championship.

Two scenes taken from the "Donkey Ball Game" between the Lobo 'B' team and the school faculty.
At the left is a study of futility. Mr. Curtis spent approximately 48 minutes trying to mount "Cleo", his donkey, and finally made it, as we see in the picture on the right, where Curtis, B teamer Langford Sneed, and two unidentified faculty members head for a loose ball. B teamers won, 28-12.

Now you've met Looie
You're probably not the same
He's clowned and played,
And established quite a fame.

Ardella -
I think you are one of the sweetest girls I have known
Best Wishes to you.

He enjoyed being your daydream,
And hopes you'll call him back
When classes are tough going.
And you'd like to hit the sack!

You've dreamed and dreamed,
And missed all the discussion,
When finals come soon
There'll be a repercussion.

But don't give up the ship,
Looie has the solution,
He knows all the answers,
Call him back to this institution!

Best of Luck
To you Evelyn Kay
